

HIGH GLOSS & COLOR RETENTION

ProLine POWERSEAL™ Anti-Rust Lacquer Paint Line brings new life to any rusted object and surfaces providing high quality color and long-lasting protection and durability. It is designed to be breathable & waterproof; it seals out moisture, inhibits rust and provides a rich, fade-resistant finish; making it suitable for indoor or outdoor applications. Resists chipping, fading and peeling. It can be applied to a variety of surfaces such as metal, plastic, wood, cement and others, and comes in a range of colors and finishes.

FEATURES

- Paints the surface without dripping or staining.
- The Lacquer anti-rust spray paint provides a high-quality color and long-lasting protection and durability.
- Inhibits rust and provides a rich, fade-resistant finish.
- Resists chipping, fading and peeling.
- It's breathable & waterproof.
- Can be used for complete surface covering or just touch-ups.
- Sprays quick dry paint at high pressure in less time.
- Primer not required for most applications.

USE

For **Indoor & Outdoor** applications:
Metal, plastic, cement, house, furniture, surface of ornament, coloring.

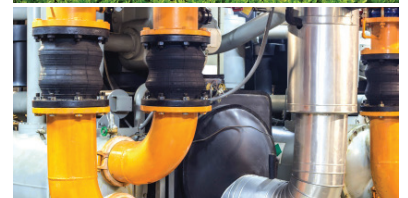

DIRECTIONS

- Remove dust, oil, loose rust, mildew on the surface before applying spray paint.
- Shake the can vigorously before spraying.
- Spray from a distance of 30~40 cm.
- Apply 2~3 thin and quick coats horizontally waiting 10 minutes dry time in-between coats instead of doing thick layers.
- When you're finished, turn the can upside down, spray for 2 seconds and put on a cap in order to store.
- Verify its use to ensure compatibility and desired results.
